

Shepherd Stubbs invite you and your employees to join us on Friday 31st October to support the official dare to wear it pink day run by Breast Cancer Campaign to help fund vital research.

All you need to do is wear pink and donate £2.

From sock to sunglasses, bras to boxers – everyone can join the fun and support this worthwhile cause. Dare to wear as many pink items as you can or wear your pink undies on the outside for maximum effect!

"It's all about the right people . . . in pink!"
